DOWNERS GROVE PUBLIC LIBRARY BOARD OF TRUSTEES REGULAR MONTHLY MEETING JUNE 27, 2018, 7:30 P.M. LIBRARY MEETING ROOM

DRAFT MINUTES

- 1. **Call to Order**. President Graber called the meeting to order at 7:30 p.m.
- 2. **Roll Call**. Members present: Trustee Ed Earl, Trustee Susan Eblen, Trustee Swapna Gigani, Trustee David Humphreys, Trustee Kim Stapleton, President Jonathan Graber. Absent: None.

Also present: Director Julie Milavec, Assistant Director Jen Fredericks, Executive Assistant Katelyn Vabalaitis, Downers Grove Public Library Foundation Vice President Ed Pawlak, Friends of the Library President Joni Hansen, Dan Pohrte of Product Architecture + Design, John Shales of Shales McNutt Construction.

3. **Welcome to Visitors**. President Graber welcomed visitors and thanked them for their interest in the library.

4. Approval of Minutes.

a. May 23, 2018 Regular Monthly Meeting. It was moved by Earl and seconded by Eblen THAT the Minutes of the May 23, 2018 Regular Monthly Meeting be approved as presented. Motion passed by voice vote.

5. Financial Matters.

- a. <u>May 2018 Financial Report</u>. Milavec presented the report. Tax revenue will begin posting to the library's account in June. On the expense side, the library is 40% through the year with about 35% spent.
- b. <u>June 2018 Invoices</u>. It was moved by Earl and seconded by Eblen THAT the payment of June 2018 operating invoices totaling \$122,472.33, the acceptance of June 2018 credit memos totaling \$102.00, and the ratification of May 2018 payrolls totaling \$206,620.83 be approved. Roll call: Ayes: Earl, Eblen, Gigani, Humphreys, Stapleton, Graber. Nays: None. Abstentions: None.
- 6. **Public Comment on Agenda Items**. President Graber invited comment. There was none.
- 7. **Public Comment on Other Library Business**. President Graber invited comment. There was none.

8. New Business.

- a. <u>Illinois Non-Resident Library Card Program</u>. Milavec detailed the process behind the calculations of the yearly fee card rate. The new rate would go into effect August 1, 2018. It was moved by Humphreys and seconded by Earl THAT the library participate in the Illinois Non-Resident Library Card Program using the General Formula to calculate a rate of \$292.00. Roll call: Ayes: Earl, Eblen, Gigani, Humphreys, Stapleton, Graber. Nays: None. Abstentions: None.
- b. 2018 Furniture Replacement Proposals. The cost of the proposed furniture would come out of the operating budget and be classified as the annual replacement of furniture. The focus is on the soft seating that was not replaced in 2014 and the wooden chairs in the Kid's Room. It was moved by Humphreys and seconded by Eblen THAT the furniture replacement proposal of \$53,190.37 be approved. Roll call: Ayes: Earl, Eblen, Gigani, Humphreys, Stapleton, Graber. Nays: None. Abstentions: None.
- c. Authorization to Transfer Monies from Library Fund to Library Capital Replacement Fund. The Village of Downers Grove received and accepted their audit for 2017, which shows the Library Fund increased by more than \$270,000 by the end of the year. Last year, the Board budgeted a \$350,000 transfer to the Capital Replacement Fund in 2018. The Board discussed whether to transfer only the budgeted amount or to also transfer the excess from the Library Fund, which would be a total transfer of \$620,000.

It was moved by Earl and seconded by Stapleton THAT \$350,000 be transferred from the Library Fund to the Library Capital Replacement Fund. Roll call: Ayes: Earl, Eblen, Gigani, Humphreys, Stapleton, Graber. Nays: None. Abstentions: None.

Once the library's 2019 budget has been passed, the Board will revisit the possibility of a second transfer to the Capital Replacement Fund.

d. Change of Budget Workshop Meeting Date from September 12 to August 8. The Village of Downers Grove requested that the library's 2019 Budget and Tax Levy request be submitted to them by August 31, 2018. The budget workshop that is currently scheduled for September 12, 2018 needs to be rescheduled to meet this new deadline. The Board discussed the difficulties of planning next year's budget so early in the year and President Graber offered to speak with the Village about extending the deadline.

It was moved by Earl and seconded by Eblen THAT the vote to reschedule the Budget Workshop be tabled until the July 25, 2018 Board meeting, pending further discussion with the Village. Motion passed by voice vote.

e. <u>2019 Budget Framework</u>. Milavec presented a 2019 budget framework based on the financial management plan, not on any actual projections. There were a couple of adjustments made, including a 2.5% increase on the personnel lines. The library's Illinois Municipal Retirement Fund rate will significantly drop in 2019, which should offset the increase in insurance costs. Milavec noted that the preliminary budget draft, which will be distributed next month, will reflect the numerous personnel changes that have occurred in 2018.

9. Unfinished Business.

a. 2018 Capital Project Bid Specifications. John Shales of Shales McNutt Construction and Dan Pohrte of Product Architecture + Design were present to answer the Board's questions on the 2018 capital project plans. The Board had a detailed discussion on each component of the proposed project, highlighting possible cost reductions. It was noted that the project could go out to bid with the artwork lighting component called out as an alternate, which would allow the Board to remove it from the project or find alternate funding if the bids come in too high.

It was moved by Humphreys and seconded by Eblen THAT the 2018 Capital Project Bid Specifications be approved to bid, with the removal of the STEM Room lighting and with the artwork lighting bid as an alternate. Roll call: Ayes: Eblen, Gigani, Humphreys, Stapleton, Graber. Nays: Earl. Abstentions: None.

10. **Library Director's Report**. Milavec presented the report (attached). Attendance has been up significantly in the library during the month of June. The number of kids who have completed the Summer Reading Club by this time in June is up by hundreds over last year. There is a report on the first year of the restricted use cards in the meeting packet. Milavec will be speaking to the Rotary Club in July about supporting the restricted use card program.

11. Trustee Comments and Requests for Information.

President Graber noted that while walking through the library today, Teen Central was empty of teens. He asked if the area is still being used and if there is a way to get more teens into the library. Milavec commented that there is a definite ebb and flow to the use of the teen department, and much of that is dependent on weather, programming, and how many other teens are using it at a specific time.

Trustee Earl commented that Arlington Heights Memorial Library has a motorized scooter available to its patrons and asked if that is an issue commonly seen at Downers Grove Public Library. Milavec responded that most libraries do not own scooters and the ones that do have usually had them donated.

12. **Adjournment**. President Graber adjourned the meeting at 9:25 p.m.

DOWNERS GROVE PUBLIC LIBRARY BOARD OF TRUSTEES JULY 25, 2018

AGENDA ITEM 8B

2019 Salary Schedule

The proposed salary schedule for 2019 is unchanged from the prior year.

To inform the budget process, comparison of the library's salary schedule to other area libraries' 2018 salary schedules and the Management Association of Illinois's 2018 Library Salary Survey follow the Capital Needs Assessment Update information. These comparisons show that no change is needed at this time. In 2019, review and update of the library's compensation system design will be undertaken. This will include job description review, point factor ranking of job descriptions for pay grades, salary schedule and pay grade review with benchmarking, system for updating salary schedule for benchmarking and cost of living, and merit pay system.

In 2017, it was decided that the three employees that had reached the maximum of their position's salary range for 2018 may earn a performance bonus of up to the percentage of the 2018 across-the-board salary increase. This bonus will be paid in a lump sum, upon approval of satisfactory performance by the individual's supervisor, at the end of the calendar year.

For 2019, the same three employees remain at the top of their position's range. The total budget impact of raises for those at the top of their pay range is \$5,637.06. I recommend freezing wages for these individuals at the pay grade maximum, budgeting for end-of-year performance bonuses, and waiting for the implementation of the compensation system design review and update to determine distribution of those funds.

DOWNERS GROVE PUBLIC LIBRARY BOARD OF TRUSTEES JULY 25, 2018

AGENDA ITEM 8C

2018 Capital Needs Assessment Projects Update

An update of the 2017 Capital Needs Assessment projects order and estimated costs follows the Budget Framework. The Level 1 public area lighting was removed from this list, as Facilities Manager Ian Knorr plans to complete these upgrades within the operating budget by the end of 2018. Recent issues with the boiler led to shifting boiler replacement into the 2019 capital project, with the scheduled replacement of HVAC rooftop units and building automation system controls. A simplified annual fund balance sheet for the Library Capital Replacement Fund shows the potential impact of these changes. A flat transfer of \$350,000 through 2027 is estimated to fund the projects listed as well as accumulate over \$950,000 toward future capital needs.

DOWNERS GROVE PUBLIC LIBRARY BOARD OF TRUSTEES JULY 25, 2018

AGENDA ITEM 8D

2019 Preliminary Budget Draft

The preliminary budget presented includes a single draft of expenses and two drafts of revenues, based on high and low estimated property tax levies.

Expenses

The preliminary draft of expenses includes all management team budget requests, with Strategic Plan 2017-2020 projects. The preliminary Library Fund expenses are nearly flat, at \$11,500 over the 2018 budget. The Library Capital Replacement Fund (LCRF) expenses include the update and re-ordering of Capital Needs Assessment Projects.

Despite inclusion of a 3.0% increase to current wages and salaries, the total budgeted amount for all wages and salaries is reduced by more than \$20,000. A separate report on staffing is included in your packet, detailing public service desk staffing and changes in 2018.

The significant decrease in the Illinois Municipal Retirement Fund rate offsets most of the significant increase in the Health Insurance line due to the implementation of the new employee benefit premium structure. It is important to note that this budget assumes a 5% increase in renewal rates for health insurance.

The increase to Supplies and Building Maintenance Services are due to the completion of more projects in-house and the rising cost of supplies like book covers and toner.

Small Tools and Equipment reflects implementation of a replacement cycle for book carts.

Seminar, Conferences, and Meetings was increased in 2018 in anticipation of Strategic Plan goals around staff training. Cost-effective training opportunities and efficient use of training opportunities through RAILS and other sources allowed this line to be reduced to its previous level.

The Data Processing Services line provides for increases for existing services as well as addition of the Patron Incident Tracking Software (PITS) annual subscription and new Comprise credit card processing service subscription.

Printing Services includes increasing the *Discoveries* newsletter from 8 pages to 12 pages for each of the 6 bimonthly issues. A survey earlier this year showed that

Discoveries is the most utilized source of information about the library by our community members. Postage cost remains the same, regardless of the change.

The reduction in Recoverables reflects anticipated 2018 attainment.

Contingency has not been utilized in the past 2 budget years and is eliminated in this budget.

For Materials budgets, the increase to Electronic Resources is partially offset by the reduction to the Audiovisual Materials line.

The LCRF 2019 project includes replacement of the rooftop units, boiler, and building automation system controls.

Revenue

The two preliminary drafts of revenues included in your packet represent possible high and low property tax levy amounts. Each fully funds the Library Fund (operating) expenses. The difference lies in funding of the LCRF for future projects.

The Financial Management Plan estimated that the levy needed to fully fund the Library Capital Replacement Fund (LCRF) and support the Capital Needs Assessment projects and ongoing operations would increase by 11.75% to \$5,998,426 in 2019. This was based on a 1.0% Equalized Assessed Valuation (EAV) increase for both 2018 and 2019. The actual increase in 2018 was 5.5%. With no estimated EAV increase from the Village to date, a 1.0% EAV increase is used in these estimates. Any additional increase to the EAV would decrease the tax levy impact to the individual homeowner.

Fully funding both operations and the LCRF through the property tax levy, the preliminary draft "LCRF LEVY FUNDED" reflects a 7.57% levy increase to \$5,574,600. Alternatively, utilizing Library Fund balance to reduce the property tax levy while funding both operations and the LCRF is shown in preliminary draft "LCRF BALANCE FUNDED." This draft reflects a flat levy of \$5,182,315. Due to the EAV increase, this levy produces a reduction in the estimated tax rate and Library Tax Per \$100k in Home Value. Approximately \$392,000 in Library Fund balance would be utilized. The estimated Library Fund balance of \$418,000, above the \$360,000 Library Fund Operating Reserve level called for in the Finance Policy.

Continued use of the fund balance strategy depends on the Library Fund balance available at the end of each fiscal year. With a Library Fund balance increase of \$270,000 from the 2017 fiscal year, this strategy is feasible for the 2019 budget to achieve the goals of the Strategic Plan and LCRF. The strategy remains viable as long as expenses are significantly under budget in the Library Fund from year to year.

Line Detail

Below is a line-by-line break brief explanation of revenues and expenditures.

Revenue Budget Lines

4101 Current Property Taxes

Property taxes received for current property tax bills. This is the Library's primary revenue stream.

4109 Prior Year Property Taxes

Money collected that was owed in prior year property taxes.

4313 Personal Property Replacement Tax

Based on the 1977 tax year when this tax came into effect and paid by the State of Illinois to the Village, this replaces personal property taxes on corporations from local government. The library receives 12.5% of the total distributed to the Village. The State's disbursements to the Village are posted here:

http://www.revenue.state.il.us/LocalGovernment/Replacement/DuPage/index.htm Please note the distribution cycle follows the State's fiscal year.

4410 Sales of Materials

Sales of books, circulating bags, flash drives, earbuds, stationery, supplies, miscellaneous community items, bulk sale of discards, unneeded library property such as office chairs.

4502 Charges for Services

Money received from vending machines, toner/ink cartridge recycling, photocopying and MyPC printing, plus miscellaneous refunds.

4509 Fees for Non-Residents

Payment for non-resident library cards.

4571 Rental Fees

Meeting Room rental fees.

4581 Fines

Payment for fines for overdue materials. With the implementation of automatic renewals in 2017, fine income has dropped dramatically.

4590 Costs Recovered for Services

Payment for lost and damaged items.

4610 Federal, Operational Grants

The Institute of Museum and Library Services, the federal agency that supports museums and libraries, now makes its annual grant directly to the Illinois State Library, which administers grants to Illinois libraries. These funds are currently used to support the Illinois Public Library Per Capita Grant program. No revenue anticipated for 2019 budget year.

4620 State, Operational Grants

Illinois Public Library Per Capita Grant, through the Illinois State Library, provides up to \$1.25 per person served on an annual basis, to all Illinois public libraries. 2018 grant award letters indicated a full award if \$1.25 per capita, but funds have not yet been received. Based on the 2016 and 2017 grant funding of \$0.77 per capita and State budget uncertainty, the revenue projection is reduced slightly to \$0.75 per capita.

4711 Investment Income

Interest earned on library cash invested by Village in various involvements or money market accounts. With a lower operating fund balance due to the transfer of funds into the Capital Replacement Fund, reduced revenue is anticipated.

4712 Investment Income - Property Taxes

Interest earned on late payments of prior year property taxes.

4820 Contributions, Operating

Donations for memorial and gift items, other gifts made directly to the library, and gifts to the library from the Foundation and Friends of the Library. In recent years the Friends donate proceeds of its book sale to the library to sponsor Summer Reading Club.

Expenditure Lines

5101 Salaries, Exempt

Full time exempt employees including Director, Assistant Director, Department Managers, Librarians, Technology Trainer, and Executive Assistant. This draft includes a 3.0% increase to all wage and salary budget lines.

5111 Salaries, Non-Exempt

Full time non-exempt employees including Technology Assistant, Community Engagement Coordinator, and ILL Coordinator. This draft includes a 3.0% increase to all wage and salary budget lines.

5119 Part-Time Employee Wages

Part-time employees including Librarians, Library Assistants, Computer Help Desk Clerks, Library Clerks, Shelvers, Staff Artist, Administrative Assistant, Library Monitors, and Custodians. This draft includes a 3.0% increase to all wage and salary budget lines.

5131 IMRF Pension Contributions

Contributions to Illinois Municipal Retirement Fund for employees working over 19.5 hours per week (1,000 hours per year.) Contribution rate is set annually by IMRF, according to statutory formula. Employer rate is 8.58% for 2019, a significant decrease from the 2018 rate of 11.03%. Employee contributions are required and set by statute. This line is determined by applying the rate to anticipated wages for qualifying employees.

5133 Medicare Contributions

Contributions to Medicare for all employees. Contribution rate is 1.45%. Employee contributions are required and set by statute. This line is determined by applying the rate to proposed salary and wage lines.

5134 Social Security Contributions

Contributions to Social Security for all employees. Contribution rate is 0.62%. Employee contributions are required and set by statute. This line is determined by applying the rate to proposed salary and wage lines.

5190 Life Insurance

Library contribution to life insurance premium for full-time employees. By Intergovernmental Agreement, the Library participates in the Village employee benefits program. Cost is based on estimated flat renewal rate, changes in insurance elected by current employees, and anticipated employee turnover.

5191 Health Insurance

Library contribution to health insurance premium insurance for employees working at least an average of 30 hours per week who have chosen to participate in the health insurance plan. By Intergovernmental Agreement, the Library participates in the Village employee benefits program. Cost is based on a 5% renewal rate increase, changes in insurance elected by current employees, anticipated employee turnover, and the new premium structure approved by the Library Board in May.

5195 Optical Insurance

Library contribution to optical insurance premium insurance for employees working at least an average of 30 hours per week who have chosen to participate in the optical insurance plan. By Intergovernmental Agreement, the Library participates in the Village employee benefits program. Cost is based flat renewal rates, changes in insurance elected by current employees, anticipated employee turnover, and the new premium structure approved by the Library Board in May.

5197 Dental Insurance

Library contribution to dental insurance premium insurance for employees working at least an average of 30 hours per week who have chosen to participate in the dental

insurance plan. By Intergovernmental Agreement, the Library participates in the Village employee benefits program. Cost is based flat renewal rates, changes in insurance elected by current employees, anticipated employee turnover, and the new premium structure approved by the Library Board in May.

5210 Supplies

Office supplies such as printer cartridges, paper, pencils, and post-its and general supplies for in-house use and programming, such as puppets, STEM Room items, and art supplies.

5251 Maintenance Supplies

Maintenance supplies such as cleaning supplies, toilet paper, paper towels, and garbage bags.

5280 Small Tools & Equipment

Objects such as acrylic sign holders, computer cords, pencil sharpeners, and telephones. A cycle of replacement for carts has begun.

5302 Dues and Memberships

Institutional memberships to organizations such as Management Association, American Library Association, Illinois Library Association, LACONI. Library pays for personal memberships for Trustees, Director, Assistant Director, Managers, and Librarians.

5303 Seminars, Conference & Meetings

Costs for attending professional conferences such as Public Library Association Conference, American Library Association Conference, Illinois Library Association Conference, Adult Reading Round Table as well as local meetings and workshops.

5308 Recognition Program--Staff

Expenses for staff events such as retirement gift and party for long-time employees, and for in-house staff activities.

5315 Professional Services

Speakers for library programs and internal staff training, professional services such as library search firm, architect, signage firm, legal ads, and construction management. 2019 budget includes consulting fees for compensation system design and a major update to the website.

5323 Special Legal

Services provided by library attorney. This is used for questions dealing specifically with library law or for legal questions on matters between the Village and Library.

5346 Data Processing Services

Fees for SWAN ILS (Integrated Library System for circulation, catalog, technical processing), online fine payment company Comprise, and 3M licensing and maintenance agreements for self-checks, sorter, and RFID checkin/out pads. This includes the additional funds for the new Patron Incident Tracking Software.

5380 Printing Services

Printing library newsletter, street banners, and incidental items. The significant increase to this line will allow increasing the newsletter to 12 pages per mailing, which does not affect postage cost.

5391 Telephone

Telephone service and Internet providers.

5392 Postage

Postage costs for Discoveries and all mailings.

5407 Advertising and Public Relations

Printing bookmarks, flyers, pamphlets; branded giveaways, employment ads.

5420 Insurance--Other Policies

Insurance Policies covering Property, Liability, Worker's Compensation, Directors, and Security Camera. Proposed amount based estimated 5% renewal rate of the LIRA program.

5430 Building Maintenance Services

Covers building inspections and repairs, and general maintenance of installed equipment: mechanical, elevator, fire alarm, plumbing, etc.

5450 Cleaning Services

Annual contract for outside cleaning company (ServiceMaster), plus special services. The three-year contract expires December 31, 2019. Purchase of a commercial-grade carpet extractor in 2018 reduces the need to outsource carpet cleaning.

5461 Utilities

Charges for gas, sanitary, water, and storm water utility. Under the Village's franchise agreement for utility services, the Library does not pay for electricity.

5470 Other Equipment Repair and Maintenance

Charges for repair for copiers, printers, fax, and microfilm reader/printers.

5481 Rentals

Rental of copy machines, parking permits, and postage meter.

5620 Recoverables

Payment to other libraries for interlibrary loan losses and fees to collection agency for recovery of materials.

5630 Contingency

Money set aside for unforeseen events.

5690 Unemployment Compensation

Unemployment compensation claims, if necessary.

5770 Capital Equipment < \$20,000

Long-term equipment under \$20,000 such as computers, peripherals, and Media Lab equipment, on a regular replacement cycle.

5851 Electronic Resources

Digital content for the collection, such as databases, eBooks, eAudiobooks, eMagazines, eMusic, and eMovies.

5852 Print Materials

Print items for the collection including books and magazines.

5853 Audiovisual Materials

AV materials for the collection such as DVDs and blu-rays, CDs, audiobooks, playaways, readalong kits, puzzles, and videogames. The Adult and Teen Services Department reallocated some funds from Audiovisual Materials to Electronic Resources.

5870 Capital Equipment > \$20,000

Equipment over \$20,000, including construction costs. Annually includes an ongoing cycle of furniture replacement. The anticipated replacements for 2019 include all remaining wooden chairs and tables in Meeting and Program Rooms.

5880 Intangible Assets (Software)

Software for operational use such as Google Apps, Microsoft Office, and Constant Contact.

DOWNERS GROVE PUBLIC LIBRARY STAFFING REPORT JULY 25, 2018

REORGANIZATION IMPACT AND OVERALL STAFFING

In September 2017, the staff reorganization realigned the library's organizational structure with the needs identified in Strategic Plan 2017-2020. The customer-focused plan reinforced the need for front-line, public-facing staff and their supervision and support. The number of positions in each pay grade shows the streamlining of administration and managerial levels.

	2017	2018	2019
Pay Grade 9	1	1	1
Pay Grade 8	2	1	1
Pay Grade 7	6	7	6
Pay Grade 6	17	16	16
Pay Grade 5	5	6	7
Pay Grade 4	11	14	14
Pay Grade 3	8	8	8
Pay Grade 2	33	34	37
Pay Grade 1	18	19	17
Total Employees	101	106	106

The number of positions of 30 hours or more, the threshold for employee insurance benefits, remains at 30 for each of these years. Total number of employees increased in 2018 as part time positions were added to address staffing deficits at public service desks.

Since the reorganization, as positions opened, each was evaluated by the Manager and Library Director to ensure that Strategic Plan goals and departmental needs would be met with the next hire. For example, to directly address the Strategic Plan goals around adult programming, the Adult & Teen Services Program Coordinator (full time, pay grade 6) position was created from a full time opening for Adult & Teen Services Librarian (full time, pay grade 6). Other changes made during 2018 include:

- One Adult & Teen Services Librarian position (part time, pay grade 6) was eliminated and replaced with two Adult & Teen Services Assistants (part time, pay grade 4). This increased staffing hours available for Ask Us Desk.
- Technology Assistant I (full time, pay grade 4) was eliminated and replaced with Computer Help Desk Supervisor (full time, pay grade 4). This creates a direct supervisor to oversee customer service in the public computer area.
- One Technical Services Assistant Manager (pay grade 5, FT) was eliminated and replaced with Cataloging Librarian (pay grade 6, FT), at a cost savings, following a retirement.
- The Access Services Aide (part time, pay grade 1) position is being phased out (from 20 hours to 10 hours per week) as outsourced pre-processing of materials is implemented.
 Access Services Clerks are now cross-trained in all Access Services duties.
- A seasonal Custodian (very part time, pay grade 2) is in charge of landscaping and working with volunteer gardeners.

 Public Relations Manager (full time, pay grade 7) is eliminated and replaced with Community Engagement Coordinator (full time, pay grade 5). The former Public Relations Department becomes part of Administration, with direct supervision by Assistant Director of Community Relations Coordinator, Communications Coordinator, and Graphics & Display Coordinator.

PUBLIC SERVICE DESK STAFFING

The Downers Grove Public Library's commitment to stellar customer service is evident in its Customer Service Promise and Strategic Plan 2017-2020. Ensuring adequate staffing of all public service desks critical to providing that level of service. Following a similar report presented to the Board of Library Trustees in July 2017, the 2018 budget included additional hours and positions to address identified staffing deficits at public service desks. Ongoing assessment of staffing helps align this largest budget component according to Strategic Plan goals and most current use statistics.

To that end, this report seeks to quantify current staffing levels for each public service desk.

Estimated Staffing Needed

The following analysis uses a four-step process to estimate the number of full time equivalent (FTE) employees needed to staff each service desk according to the current staffing pattern.

The four-step process for estimating the number of employees needed is:

- **Step 1:** Identify the type of position you wish to analyze
- **Step 2:** Determine your turnover rate
- **Step 3:** Determine employee availability (NAWH)
- **Step 4:** Analyze all positions

For Step 1, the type of position analyzed are all of those regularly assigned to work a public service desk.

For Step 2, the overall library turnover rate is used.

Ca	llculate Average Turnover Rate			Year			Average
		2013	2014	2015	2016	2017	
А	Total number of employees at the highest staffing level for that year	101	101	101	10 1	106	102
В	Number of new hires that failed to complete the probationary period	0	0	0	0	0	0
С	Number of experienced employees who left for any reason*	6	8	8	13	22	11.4
D	Turnover Rate (Turnover = B + C ÷ A)	6%	8%	8%	17%	22%	11%
Е	Retention Rate (Retention = 1 – Turnover) x 100	94%	94%	92%	83%	78%	89%

^{*}Include all experienced employees who left for voluntary or involuntary reasons (e.g. turnover initiated by the employee, rotation, retirement, death, management action, etc.)

For Step 3, the full annual average is used for Average vacation and holiday leave and Average personal leave. For Average annual sick leave, the average amount of sick leave used by full time staff is estimated. Average training leave is based on the annual full day staff in-service.

		Determine Net Available Work Hours (NAWH)

J	1,717	Net Available Work Hours (NAWH) = $A - I$
	<u> 1,717 </u>	Net Available Work Hours per employee (NAWH from Jabove)

For Step 4, the five public service desks currently staffed are analyzed. They are: Ask Us, Teen Central, Kids Room, Checkout, and Computer Help. Because Adult & Teen Services staff work both Teen Central and Ask Us Desks and frequently float between the two as needed, the staffing of these two desks is combined in these worksheets. All other public service desks are staffed 60 weekday and 12 weekend hours.

Current Staffing Available

The following analysis uses a five-step process to estimate current Net Available Work Hours (NAWH) for each service desk as examined in the estimated Staffing Needed. It does not include factors for turnover or the impact of leaves of absence.

The five-step process for estimating the current hours available is:

- **Step 1:** Identify the employees that work the public service desk
- **Step 2:** Determine annual hours worked for each
- **Step 3:** Identify percentage of time on desk for each employee type
- **Step 4:** Determine employee availability (NAWH) for each employee
- **Step 5:** Determine NAWH for each public service desk, number of staff available per hour and current number of FTE available

For Steps 1 and 3, job descriptions of staff working public services desks, which lists the percentage of time spent working a public service desk, were used.

For Step 2, annual hours budgeted for each employee was taken from preliminary budget documents.

For Step 4, the base annual amount of vacation, sick and personal leave for each position was used. Substitute hours or additional hours available for part time staff are included where applicable.

For Step 5, the information gathered in prior steps was used to calculate Current Staffing Available by NAWH, staff available each hour open, and FTE available.

STAFFING NEEDED VS. STAFFING AVAILABLE

Desk(s)	Staffing Needed	Staffing Available	Difference
Ask Us & Teen Central	7.11	5.63	-1.48
Kids Room	4.60	3.96	-0.64
Checkout	4.69	4.67	-0.02
Computer Help	3.42	2.61	-0.81

The reality of staffing public service desks is that the percentage of time spent by employees working that desk varies by the needs of the department. Reduced off-desk time creates pressure to either accomplish tasks better suited to back-of-house while at the desk or within an unrealistic timeframe. At such times, special projects and continuing education are side-lined or delayed. Progress toward Strategic Plan goals can be impacted.

Staffing of the Teen Central Desk as needed, rather than a set schedule, has provided flexibility in coverage to meet the needs of users with minimal impact on customer service. Significant progress was made at the Checkout and Computer Help Desks with the staffing changes of the reorganization and 2018 budget. The decision to stop staffing the Information Desk in anticipation of the relocation of the Checkout Desk was a key factor in achieving adequate staffing of the Checkout Desk. If the Information Desk is staffed, and additional 2.35 FTE would be needed to adequately staff it for the 72 hours per week that the library is open at a cost of approximately \$50,000 per year.

DOWNERS GROVE PUBLIC LIBRARY BOARD OF TRUSTEES JULY 25, 2018

AGENDA ITEM 8E

August Meeting Dates

Board President Jonathan Graber contacted Mayor Martin Tully regarding the deadline for submitting the library budget and levy request to the Village. The deadline remains August 31.

Following the budget discussion and review of the preliminary draft, a decision regarding dates and times for August meetings must be made, including cancellation of the September 12 Budget Workshop.

Due to Administration staff vacations, rescheduling of the August regular meeting from August 22 to August 29 would allow creation of full Board packets on the typical schedule. If the August 22 date is retained, meeting information will go to Trustees on Monday, August 20.

DOWNERS GROVE PUBLIC LIBRARY BOARD OF TRUSTEES JULY 25, 2018

AGENDA ITEM 10

Librarian's Report

Community Engagement Coordinator Position

A new Community Engagement Coordinator position will be advertised in July. This position replaces the Public Relations Manager position. The job functions are essentially the same but without supervisory duties. Public Relations staff will join Administration, rather than functioning as a separate department. The Assistant Director will supervise the Community Engagement Coordinator, Communications Coordinator, and Graphics & Display Coordinator (Staff Artist position retitled).

Libraries of Illinois Risk Agency (LIRA)

The Libraries of Illinois Risk Agency (LIRA) joint self-insurance pool has reached 53 members and more than \$1 billion in insured value for property. That milestone comes with some benefits. Most notably, the general liability and property carrier, Britt, is launching a training platform exclusively for LIRA, giving member staff unlimited access to archived webinars and online training in a variety of topics from safety to employment practices.

Lobby Lighting LED Retro-fit Project

With four ballasts per fixture in the Lobby lights and with more of those ballasts going bad daily, Facilities Manager Ian Knorr has prioritized this retro-fit project. He anticipates completing the project by August 1. This continues addressing the Strategic Plan and Capital Needs Assessment projects updating lighting.

DOWNERS GROVE PUBLIC LIBRARY BOARD OF TRUSTEES JULY 25, 2018

DEPARTMENT REPORTS – JUNE 2018

Administration – Jen Fredericks

- Met with the Programming Team to discuss and plan the next couple of library-wide programs for 2018. We will be having a Halloween celebration in conjunction with the downtown trick-or treating and a Banned Books themed event.
- Met with the Outreach Team. We are collectively working on a Service Fair scheduled for April 2019 and are hopeful to implement an "Organization of the Month." Details forthcoming.
- Met with Innovation Team to discuss progress of upcoming offerings. We are moving forward with an umbrella collection for checkout (sponsored by the Friends of the Library) and are investigating the following: Skype reference, a Library of Things, Civic Engagement options (an informed voter corner), among many other ideas.

Adult & Teen Services – Lizzie Matkowski

- Due to popular demand, ATS staff ran 9 Harry Potter Escape Rooms! A total of 54 patrons attended!
- Lynette, Nancy, Misty, and Kira attended outreach opportunities at the Public Works Open House and DG Farmer's Market.
- Amanda Klenk is our new Teen Services Coordinator!
- ATS staff attended meetings of the Service Excellence Team, Innovation Team, and Outreach Team.
- Lizzie attended an all-day training on Human Resources.
- Several additional ATS staff have gone through Notary Training.

Children's Services - Allyson Renell

- Summer Reading Club prize pick-up began on June 11 with 130 kids picking up at least one of their prizes on the very first day! By the end of June, 1,015 kids had picked up at least one prize and many other kids have already completed their packets and have moved on to completing Bonus Pages.
- The Kids Room continued their partnership with District 58's PTA Math Club, with the Math Club having their first prize pick-ups on June 25 and 26.
- On June 27, the Kids Room brought Summer Reading to Indian Trails Elementary School. Kids and their families played games, made crafts, picked up prizes, and heard a Storytime. Sixty-five people joined the festivities.
- The department has been very busy, with different programs happening almost every day. Programs have included storytimes, art programs, science programs, and more!

Circulation Services – Christine Lees

- Our biggest news was the arrival and installation of six cubicles for the workroom. These cubicles have assisted in the ongoing noise abatement issue in the workroom from noise created by the book sorter. We are all getting used to the new workspace and agree that the workroom is quieter with this much-needed addition.
- Cheryl Pawlak and I met with Kira from ATS to discuss ways to streamline the book donation process for items for the Friends Book Sale. The meeting was extremely productive and led to Kira creating an opportunity for teens to earn service hours for volunteering at designated book donation drop off times. Check out the last issue of Discoveries for more information!
- The Rack and the Track is a hit! Each time we have gone to refill the rack, most of the items have found their way to new homes and readers! I thought I'd share a bit of a recent email from Circulation Staff member Kathy Moran and her experience last week while filling the rack:

"I just had the best morning. On my way to fill the Rack at the Track I was just outside the train station and a woman stopped me and said she was just going to catch a train and would love to have a quick look at the books I was going to put out. She found one and was delighted! Then on my way back 3 ladies stopped me as I was passing the tables outside of Pete's to ask if I was able to put out all the books on my cart at the train station. (I was amazed that either they were watching me or they knew about us going there already.) They all three told me how they loved the idea and thought it was a great service."

- A number of Circulation staff attended the Lunch and Learn event at the library, which was hosted by the Village. The topic was, "Making the Most of your 24/7". The program provided great resources for maximizing your productivity.
- We have a new IL Federal Work Study student, Krina Patel. Krina will be working in our department while in Dental School at Midwestern University.

Information Technology – Paul Regis

- June went by rather quickly, with much of the month devoted to regular maintenance and resolving help tickets. IT Manager Paul Regis focused on the IT Department's 2019 budget for most of the month primarily requests from other departments, regular upgrades, and minor adjustments to accounts for price increases of certain subscription services (such as Adobe Creative Cloud).
- The Circulation department underwent a bit of a change in mid-June, moving from standard desks to cubicles to help abate the noise from the sorter. Assistant IT Manager Max Mogavero and IT Manager Paul Regis helped with the takedown and installation of computers, printers, and miscellaneous devices in the new stations. Max's organization and thoroughness made installation in the new cubicles a breeze thank you, Max. Kudos to the Facilities Department (Ian Knorr and Kevin Montgomery) for their quick planning and installing of the cubicles, as well as the entire Circulation Department for their patience and understanding.

Technical Services – Jen Fredericks

Inventory and Cataloging

- For ATS collection: added 1518 print items and 401 AV items; discarded 3949 print items and 543 AV items.
- For Kids Room collection: added 873 print items and 150 AV items; discarded 1798 print items and 216 AV items.
- Claimed 19 magazines that did not arrive when expected.
- Originally cataloged 5 items.

Reclassification and Repairs

- Repaired 737 ATS and Kids Room books and audiovisual items.
- Reclassified 225 general adult and ATS and Kids Room items.

Other News:

- Nora Mastny, Access Services new cataloging librarian and Barb Powell's successor, started her tenure with us June 4 and has spent many hours working alongside Barb and myself to learn her role as cataloger.
- ATS Librarian Kira Riddle spent several hours learning the jobs, responsibilities, and workflow of the Access Services department by shadowing each employee and performing her work.
- We finished our work on the Kids Room reference collection, by either reclassifying
 existing works to circulating nonfiction, or discarding altogether. The Kids Room has
 done away with print reference, except for a handful titles that will be used for annual
 projects.
- Conducted biannual magazine purge.
- Michelle and Kristin (from Kids Room) are continuing to work together to reclassify and reprocess all Kids Room puzzles and kits to include pictures of contents on processing bags and a simpler classification.

Facilities Services - Ian Knorr

- Facilities was able to locate and purchase LED retrofit kits for the first floor lobby lighting. Installation of these lights will start the week of July 16.
- The lighting in the North and South Meeting Rooms has been replaced with energy efficient LED flat panels and LED bulbs in the can lights.
- Cubicle workstations were installed in the Circulation workroom to help with the noise from the sorter.
- The 2019 forecasted Facilities Department's budget was given to Julie for consideration.
- Backflow inspections were completed on six devices. The resulting paperwork has been sent to the Village of Downers Grove.
