## DOWNERS GROVE PUBLIC LIBRARY

BOARD OF LIBRARY TRUSTEES
MAY 27, 2020, 7:30 P.M.
ONLINE VIA GOTO MEETING

## DRAFT MINUTES

1. Call to Order. President Graber called the meeting to order at 7:33 p.m.
2. Roll Call. Members present: Trustee Carissa Dougherty, Trustee Swapna Gigani, Trustee David Humphreys, Trustee Barnali Khuntia, Trustee Kim Stapleton, President Jonathan Graber. Absent: None.

Also present: Director Julie Milavec, Assistant Director Jen Ryjewski, Executive Assistant Katelyn Vabalaitis, Media Lab Coordinator Ed Bromiel, Kristin Purcell, Ed Pawlak.
3. Welcome to Visitors. President Graber welcomed visitors and thanked them for their interest in the library.

## 4. Approval of Minutes.

a. April 22, 2020. It was moved by Dougherty and seconded by Khuntia THAT the Minutes of the April 22, 2020 Regular Monthly Meeting be approved as presented. Motion passed by voice vote.
5. Financial Matters.
a. April 2020 Financial Report. Milavec presented the report. The library's revenue is low, as the first round of property tax disbursements do not usually come until very late May or early June. The library is 33\% through the year and the budget is $28 \%$ spent, which is significantly below normal for this time of year. There are a number of expenses that are front-end loaded into the year, including database renewals and insurance renewals. Milavec noted that the Maintenance Supplies line is going up, as that is where most PPE purchases are charged. PPE is a significant unbudgeted cost and Assistant Director Jen Ryjewski is working on a FEMA grant, which will hopefully reimburse the library for some of that cost. Milavec also noted that three payments were made in May to Shales McNutt Construction for the capital replacement masonry project.
b. May 2020 Invoices. It was moved by Humphreys and seconded by Dougherty THAT the payment of May 2020 capital replacement invoices totaling $\$ 181,207.40$, the payment of May 2020 operating invoices totaling $\$ 67,120.35$, and the ratification of April 2020 payrolls totaling $\$ 229,660.25$ be
approved. Roll call: Ayes: Dougherty, Gigani, Humphreys, Khuntia, Stapleton, Graber. Nays: None. Abstentions: None.
6. Public Comment on Agenda Items. President Graber invited comment. There was none.
7. Public Comment on Other Library Business. President Graber invited comment. There was none.

## 8. New Business.

a. COVID-19 Response and Reopening Phasing Plan Update. The library is now in Phase 2 Curbside Pickup. Staff have been amazing, coming together as a team and evolving the process every transaction. The library is serving over 100 cars a day with six hours of service. As of June 1, curbside hours will be expanding to 9:00 a.m. - 1:00 p.m. and 3:00-7:00 p.m. Split shifts will remain, to keep staff from co-mingling and to allow time for custodial staff to clean between shifts. Patrons have been wonderful by staying in their cars, unlatching their trunks, and trying to stay as socially distanced as possible. The library is getting new holds every day and staff have started putting together curated bundles when requested.

The State of Illinois finally released their Phase 3 guidelines and plan to move to the new phase on May 29. The library falls into at least three of the categories listed. There is not a lot of direction specific to libraries, so DGPL has been working closely with other area libraries to develop best practices. The library is planning to move to its Phase 3 , which includes limited service and limited hours, but is taking the planning process one step at a time to do it thoughtfully and with the health and safety of staff and the public in mind.

Staff are currently working on a plan to best move patrons in and out of the library while dealing with capacity limits. There is discussion about removing all seating, asking patrons to limit the amount of time they are in the library, and asking patrons not to use materials in the library but rather grab their items and leave. Staff are focused on curbside service for the next two weeks and are investigating what other libraries are doing to help make plans moving forward.

It was moved by Stapleton and seconded by Gigani THAT the Library Director continue to be authorized to make temporary policy changes in consultation with the Board President and within parameters of COVID-19 Response and Reopening Phasing Plan as presented. Roll call: Ayes: Dougherty, Gigani, Humphreys, Khuntia, Stapleton, Graber. Nays: None. Abstentions: None.
b. Paying Staff According to Personnel Policy, Section 3.28 Emergency Closings through June 30, 2020. Now that curbside has begun, in-library shifts are required for all staff in public-facing positions. There are still significant telecommuting opportunities for staff as well. As services evolve, the library will be requiring more in-library work from staff members. Milavec recommends continuing to pay staff according to the Emergency Closings Policy, and noted that the percentage of time staff are working in the library and through telecommuting is continuing to rise.

It was moved by Humphreys and seconded by Khuntia THAT library staff be paid according to Personnel Policy, Section 3.28 Emergency Closings through June 30, 2020. Roll call: Ayes: Dougherty, Gigani, Humphreys, Khuntia, Stapleton, Graber. Nays: None. Abstentions: None.
c. Development of Preliminary 2021 Budget. The Board discussed the direction of the 2021 Preliminary Budget. Milavec stressed that there are so many unknowns at this point, which makes it hard to plan ahead. The library's budget process always includes a bit of guesswork, as the budget has to be completed so far in advance for the next fiscal year. There are large budget items that staff do not know in time for the budget process, including health insurance renewals and liability insurance renewals. Merit increases are scheduled to be implemented this year for 2021. Up to 70\% of the budget is staff salaries and benefits. Milavec noted the inverse relationship between the library's levy and the Equalized Assessed Valuation (EAV). The Board discussed the unknown future of the EAV due to the pandemic and the possible implications to the library's levy. Milavec will provide multiple versions of the budget for the next meeting.
9. Unfinished Business. There was none.
10. Library Director's Report. Milavec presented the report. In addition to the written report in the packet, Milavec gave a big thanks to some long-time employees who decided to retire. Ray Papacek, Maureen Karl, and Irene Strods have all been wonderful employees of the library and staff are very sorry to see them go. Milavec gave kudos to library staff, recognizing their amazing work on curbside service and virtual programming. The Kids Room is looking at providing make-and-take craft kits for curbside. The COVID memories program will begin in July/August and will go out in Discoveries. Summer Reading Club has 326 people registered as of this afternoon. Patrons are encouraged to go to the library's website to register for the online platform or to download sheets to track progress at home.
11. Trustee Comments and Requests for Information.

Trustee Gigani was excited to see Summer Reading Club launched in an online format. Staff have been doing a great job getting the phases rolled out. She would like to see more of a social media presence, especially regarding virtual programming.

Trustee Humphreys thanked library staff for everything they have been doing. He especially called out the IT staff for all they have been doing. He has been reading about libraries having crowds in their parking lot using their WiFi and asked if DGPL has had any demand. Milavec responded that the building itself, as a brick building with steel framing, makes it hard to get the WiFi too far out into the parking lot. There has not been a lot of crowds or complaints related to WiFi.

Trustee Stapleton received an email from College of DuPage about a program they are hosting that is very similar to the COVID memories program.

Trustee Khuntia asked how staff are going to handle minors in the library. Milavec responded that unattended children in the library are one of the biggest concerns of library staff. Staff are discussing raising the age of unattended children allowed in the building or requiring children have a parent or guardian with them.

President Graber noted that there is work needing to be done on the elevator and asked if this is something that could be done while the building is closed. Milavec noted the high price tag of the elevator project and that this project would have to go through a public bid process, which takes time.
12. Adjournment. President Graber adjourned the meeting at 8:56 p.m.

BOARD OF LIBRARY TRUSTEES
JUNE 24, 2020

\section*{AGENDA ITEM 8A}

Resolution 2020-1 Approving and Adopting Revised Anti-Discrimination and Anti-
Harassment Policy Harassment Policy

The Illinois Workplace Transparency Act (Public Act 101-0221) requires local government employers must pass an ordinance or resolution updating sexual harassment policies to address claims made by an elected official against another elected official. The changes include addition of board members in the introduction, one paragraph added in the Reporting Harassment section, and several changes from "employee" to "individual."

Recommended Action: Approve Resolution 2020-1 Approving and Adopting Revised Anti-Discrimination and Anti-Harassment Policy

\subsection*{3.39 Anti-Discrimination and Anti-Harassment}

It is the policy of the Downers Grove Public Library to maintain a work environment free from all forms of discrimination and harassment. In keeping with this commitment, the library will not tolerate discrimination against or harassment of library employees by anyone, including any supervisor, co-worker, vendor, contractor, board member, member of the public, or other regular visitor of the library. The library takes allegations of discrimination and harassment seriously and will respond promptly to complaints. Any employee found to be in violation of this policy will be subject to disciplinary action, up to and including termination.

\subsection*{3.39.1 Definition of Discrimination}

Discrimination consists of employment actions taken against an individual based on a characteristic protected by law. In other words, discrimination occurs when an individual is treated differently, unequally, and usually negatively because the individual is a member of a protected group.

\subsection*{3.39.2 Definition of Harassment}

Harassment consists of unwelcome conduct, whether verbal, physical, or visual, that is based on a characteristic protected by law, such as gender, gender identity, race, color, ancestry, national origin, citizenship status, religion, age, disability, marital status, sexual orientation, gender identity, pregnancy, military or veteran status, genetic information, order of protection status, or any other category protected by law. The library will not tolerate harassing conduct that affects employment conditions or job benefits, that interferes unreasonably with an individual's work performance, or that creates an intimidating, hostile, or offensive work environment.

The conduct forbidden by this policy specifically includes, but is not limited to: (a) epithets, slurs, negative stereotypes, or intimidating acts that are based on a person's protected status; and (b) written or graphic material circulated within or posted within the workplace that shows hostility toward a person because of his or her protected status.

\subsection*{3.39.3 Definition of Sexual Harassment}

Sexual harassment consists of any unwelcome sexual advances, requests for sexual favors, or any verbal or physical conduct of a sexual nature when made to an employee where:
- Submission to such conduct is made explicitly or implicitly a term or condition of employment
- Submission to or rejection of such conduct by an individual is used as the basis for any employment decision affecting such individual
- Such conduct has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile, or offensive work environment

Sexual harassment, as defined above, may include, but is not limited to:
- Uninvited sex-oriented verbal "kidding" or demeaning sexual innuendos, leers, gestures, teasing, sexually explicit or obscene jokes, remarks or questions of a sexual nature
- Graphic or suggestive comments about an individual's dress or body
- Displaying sexually explicit objects, photographs, writings, or drawings
- Unwelcome touching, such as patting, pinching, or constant brushing against another's body
- Suggesting or demanding sexual involvement of another employee whether or not such suggestion or demand is accompanied by implicit or explicit threats concerning one's employment status or similar personal concerns

Even if two or more employees individuals are engaging in consensual conduct, such conduct could constitute harassment of or discrimination against another employee who witnesses or overhears such conduct.

\subsection*{3.39.4 Reporting Harassment}

All Library employees individuals are responsible to help ensure that harassment does not occur and/or is not tolerated. Any employee individual who believes that he or she has been subjected to sexual or other types of harassment, or who has witnessed harassment, should immediately submit a complaint to his or her supervisor, any other manager or supervisor, or the Assistant Director. In the event the Assistant Director is the alleged harasser, the complaint may be submitted directly to the Director or any supervisor. In the event the Director is the alleged harasser, the complaint may be submitted to the President of the Library Board. If a manager or supervisor receives a complaint of harassment or discrimination directly from an employee, or becomes aware of such conduct, the complaint shall be immediately reported to the Assistant Director.

Complaints by an elected/appointed official against another elected/appointed official shall be submitted to the Director. The Director shall, in consultation with legal counsel for the library, ensure that an independent review is conducted with respect to such allegations.

The Assistant Director shall promptly investigate all complaints and make all reasonable efforts to resolve the matter informally. These efforts may include, but are not limited to, convening conferences with the complainant and/or the accused harasser/discriminator to discuss the complaint and the results of the investigation. If the complainant or the accused is not satisfied with the disposition of the investigation, he or she may submit in writing an appeal to the Director or his designee, who will review the investigation report and make a final decision. At the Director's option, he or his designee may conduct further investigation, if necessary.

\subsection*{3.39.5 Discipline}

If the complaint is found to be valid, appropriate disciplinary action will be taken against the perpetrator. Such disciplinary action could include termination of employment. (The Library's disciplinary procedures are listed in section 3.38.)

\subsection*{3.39.6 Retaliation}

Reporting harassment, assisting in making a complaint, cooperating in an investigation of harassment, or otherwise engaging in conduct protected by the Illinois Whistleblower Act will not reflect adversely upon an individual's status or affect future employment. Any employee who retaliates against another for exercising his or her rights under this policy shall be subject to discipline, up to and including discharge. The rights to confidentiality, both of the complainant and of the accused, will be respected consistent with the Library's legal obligations and with the necessity to investigate allegations of misconduct and to take corrective action when this conduct has occurred.

It is hoped that most harassment complaints and incidents can be resolved within the Library. However, an employee has the right to contact the Illinois Department of Human Rights at 800-662-3942, the Illinois Human Rights Commission at 312-8146269, or the Equal Employment Opportunity Commission at 800-669-4000 about filing a formal complaint.

The filing of a complaint under the procedures described herein shall not limit, extend, replace, or delay the right of any person to file a similar complaint or charge with any appropriate local, state, or federal agency or court.

\subsection*{3.39.7 False Reporting}

Given the nature of this type of discrimination, the Library recognizes that false accusations of sexual harassment can have serious effects on innocent individuals. Individuals found to file a knowingly false report will be subject to appropriate disciplinary action. Such disciplinary action could include termination of employment. (The Library's disciplinary procedures are listed in section 3.38.)

\section*{AGENDA ITEM 8B}

\section*{Capital Needs Assessment 2020 Update}

Building Operations Director Ian Knorr updated estimated costs for the Capital Needs Assessment Report 2017-2027, to include two high-dollar replacements not previously in the report (electrical relay panel replacement and elevator modernization), update costs on upcoming projects, and correct for lighting projects completed ahead of schedule. Savings on lighting projects by completing in-house and with ComEd Engery Efficiency Program grants and rebates and the 2020 masonry project allow for inclusion of these two high-dollar items while meeting the target of \$1,000,000 fund balance in the Library Capital Replacement Fund (LCRF) after completion of all Capital Needs Assessment Report 2017-2027 projects. The Capital Assessment Report Reordered Projects 2018 and balance summary are available on the library website Transparency page: https://dglibrary.org/transparency/

The electrical relay panel has reached its end of life. Replacement relays are obsolete with no guidance from the manufacturer on substitute parts. The electrical relay panel replacement is a ballpark estimate. Because parts can no longer be obtained, this replacement was prioritized for 2021.

Elevator modernization, as previously discussed at the Board level was not included in the original Capital Needs Assessment Plan 2017-2027. The modernization project retains the existing car, piston, and hydraulic system. All of the controls, fluids, panels, and lighting will be replaced. Replacement parts are becoming obsolete. The project is included in 2022.

As discussed in February, replacement of the variable air valve (VAV) boxes, heaters, and exhaust fans were underestimated in the original document. Replacements are scheduled incrementally from 2020 through 2027. Updated costs are extended with a \(4 \%\) annual increase to ensure the budgeted amount is sufficient to complete the projects.

Recommended Action: Approve the Capital Needs Assessment Report 2020 Update to Projects and Estimated Costs.

\section*{DOWNERS GROVE PUBLIC LIBRARY}

BOARD OF LIBRARY TRUSTEES
JUNE 24, 2020

\section*{AGENDA ITEM 8C}

\section*{2021 Preliminary Budget Draft}

A preliminary draft of the 2021 is presented in June to allow the Board of Library Trustees the maximum time to review and ask questions about the budget. The library's final budget and levy request are due to the Village of Downers Grove by August 31.

\section*{Preliminary Budget Drafts}

Eight different iterations of the preliminary budget are included in your packet as requested by the Board of Library Trustees at the May Board meeting. On the expenditures side, there are drafts with personnel salary and wage increases at 1.9\% and \(3.0 \%\). Annual benchmarking of the salary schedule replaces cost of living increases in the compensation system implemented in 2020. The 3.0\% draft reflects implementation of both the annual salary schedule benchmark and merit increases, as outlined in the compensation system approved in 2020. The minimum wage increase to \(\$ 11.00\) per hour on January 1, 2021 is reflected in both salary and wage increase levels. The \(1.9 \%\) draft reflects the anticipated salary schedule benchmark increase for 2021. All other expenditure estimates are the same across all drafts. Each of these expenditure budget drafts are presented with revenue drafts of tax levies at \(0 \%, 1 \%\), \(2 \%\), and \(3 \%\). All other revenue estimates are the same across all drafts. The difference between the two expenditure levels is \(\$ 34,920\). The difference from highest to lowest in the four revenue levels is \(\$ 166,604\). The following table summarizes the eight draft budgets included in the Board packet:
\begin{tabular}{|l|r|r|r|}

\hline
\end{tabular}

\section*{Revenues}

The Financial Management Plan, completed in 2018, estimated that to fully fund the Library Capital Replacement Fund (LCRF) support of the Capital Needs Assessment projects and ongoing operations, a one-time levy increase of \(11.75 \%\) would be needed in 2019, with 2-3\% annual increases thereafter to support operations. That report used a 1.0\% Equalized Assessed Valuation (EAV) increase year over year 2018 to 2027. The actual EAV increase was \(3.5 \%\) in 2019 and \(4.5 \%\) in 2020. The increases in EAV reduce the property tax rate produced by the levy dollar amount. The Board of Library Trustees held the levy increase to \(3.0 \%\) in 2020 by utilizing a portion of the Library Fund balance for operations. An estimated 1\% Equalized Assessed Valuation (EAV) increase is used in the preliminary drafts presented. Generally, non-property tax revenues are projected to decrease in 2021.

Continued use of the fund balance strategy depends on the Library Fund balance available at the end of each fiscal year. If 2020 is like 2019 and expenses are significantly under budget, the Library Fund balance may be utilized to reduce the necessary levy to achieve the goals of the Strategic Plan and LCRF. The beginning Library Fund balance for 2020 was \(\$ 1,140,159\). A portion of the Library Fund balance is the Operating Reserves. According to the Finance Policy, Operating Reserves in the Library Fund should equal \(35 \%\) of the cost of replacing one boiler, one rooftop HVAC unit, and the entire flat portion of the roof - approximately \(\$ 450,000\). The highest fund balance use estimated is \(\$ 464,562\).

The annual transfer of \(\$ 350,000\) from the Library Fund to the LCRF for the Capital Needs Assessment projects is included on the balance sheet, as well as interest and investment income.

\section*{Expenditures}

Preliminary drafts of expenses includes all management team budget requests, with Strategic Plan 2017-2020 projects not yet completed due to COVID-19 closings, consulting for developing a new strategic plan, and implementing recommendations of the Equity, Diversity, and Inclusion Discovery Project.

Personnel costs are shown at two levels: \(1.9 \%\) and \(3.0 \%\) increases to all salary and wage lines. Please note that the compensation system project reclassified many positions from exempt to non-exempt and salary to hourly. The January 1, 2021 minimum wage increase to \(\$ 11.00\) per hour is reflected in both levels. The Illinois Municipal Retirement Fund rate increased from 9.42\% to 11.32\% in 2020. These drafts assume a \(15 \%\) increase in renewal rates for employee benefits insurances. Nonpersonnel costs are largely flat, with some internal shifting of allocations within departments.

The Library Capital Replacement Fund (LCRF) project includes roof replacement, electrical relay panel replacement, continuing variable air valve (VAV) replacements, staff area lighting and lighting controls, air curtain replacement, water heater replacement, and painting, as outlined in the updated Capital Needs Assessment Report 2017-2027.

\section*{Line Detail}

Below is a line-by-line brief explanation of revenues and expenditures. Unless otherwise noted, all estimates are based on expected 2020 attainment.

\section*{Revenue Budget Lines}

4101 Current Property Taxes
Property taxes received for current property tax bills. This is the Library's primary revenue stream.

4109 Prior Year Property Taxes
Money collected that was owed in prior year property taxes.

\section*{4313 Personal Property Replacement Tax}

Based on the 1977 tax year when this tax came into effect and paid by the State of Illinois to the Village, this replaces personal property taxes on corporations from local government. The library receives \(12.5 \%\) of the total distributed to the Village. The distribution cycle follows the State's fiscal year.

\section*{4410 Sales of Materials}

Sales of books, circulating bags, flash drives, earbuds, stationery, supplies, miscellaneous community items, bulk sale of discards, unneeded library property such as office chairs.

\section*{4502 Charges for Services}

Money received from vending machines, toner/ink cartridge recycling, photocopying and MyPC printing, plus miscellaneous refunds.

4509 Fees for Non-Residents
Payment for non-resident library cards. We anticipate lower revenue based on 2020 attainment and an anticipated change to non-resident fee card law that would allow free cards for students in households with incomes below the poverty line.

\section*{4571 Rental Fees}

Meeting Room rental fees. As library use of the meeting room increases, this amount is reduced.

\section*{4581 Fines}

Payment for fines for overdue materials. With the implementation of fine free during the COVID-19 closing through Summer Reading, fine income has dropped dramatically. This estimate reflects implementing fine free policies permanently.

\section*{4590 Costs Recovered for Services}

Payment for lost and damaged items.

\section*{4610 Federal, Operational Grants}

The Institute of Museum and Library Services, the federal agency that supports museums and libraries, now makes its annual grant directly to the Illinois State Library, which administers grants to Illinois libraries. These funds are currently used to support the Illinois Public Library Per Capita Grant program. No revenue anticipated for 2021 budget year.

\section*{4620 State, Operational Grants}

Illinois Public Library Per Capita Grant, through the Illinois State Library, provides up to \(\$ 1.25\) per person served on an annual basis, to all Illinois public libraries. 2020 grant award letters indicated a full award if \(\$ 1.25\) per capita, but funds have not yet been received. Based on the 2019 and 2020 grant funding of \(\$ 1.25\) per capita, the revenue projection for the full to \(\$ 1.25\) per capita.

4711 Investment Income
Interest earned on library cash invested by the Village of Downers Grove. Investment income continues to be strong.

\section*{4712 Investment Income - Property Taxes}

Interest earned on late payments of prior year property taxes.

\section*{4820 Contributions, Operating}

\section*{DOWNERS GROVE PUBLIC LIBRARY}

\section*{BOARD OF LIBRARY TRUSTEES}

JUNE 24, 2020

\section*{Agenda Item 8D}

\section*{COVID-19 Response and Reopening Phasing Plan Update}

At the May 28, 2020 meeting, the Board of Library Trustees authorized the Library Director to enact temporary policies, in consultation with the Board President and within the parameters of the COVID-19 Response and Reopening Phasing Plan.

On Monday, June 1, the library expand service of Phase 2, Curbside Pickup, of our reopening plan. Curbside service hours extended to Monday through Friday, 9:00 a.m. to 1:00 p.m. and 3:00 to 7:00 p.m. Staff shifts became 8:00 a.m. to 1:00 p.m. and 2:00 to 7:00 p.m. to allow for preparation and processing of materials before service begins and cleaning between shifts. On Saturday June 20, Curbside hours again extended to include Saturday 9:00 a.m. to 1:00 p.m. and Sunday 1:00 to 5:00 p.m., with staff shifts Saturday 8:00 a.m. to 1:00 p.m. and Sunday 12:00 to 5:00 p.m.

Plans are underway to implement the library's Phase 3, Limited Public Service, Limited Hours in early July. A "grab and go" service model will be implemented, encouraging patrons to limit their visits to one hour per day per person. Patrons will be required to wear masks and follow CDC health and safety guidelines. Capacity will be limited. Public computers will be available for one 45-minute appointment per day per person. No seating will be available, except at public computers. Play areas will be closed and no toys available. Children 12 and under must be accompanied by an adult, who will be asked to closely monitor their children's social distancing at all times in the library. All library programming will continue to be virtual through the end of August.

As of the time of this writing, Illinois is on track to move to Phase 4: Revitalization of the Restore Illinois plan on June 26. Mask requirements and social distancing will remain in place. Gathering size allowed will increase from 10 to 50 people.

Recommended Action: Authorize Library Director to continue to make temporary policy changes in consultation with Board President and within parameters of COVID-19 Response and Reopening Phasing Plan as presented.

\section*{COVID-19 RESPONSE AND PHASED REOPENING PLAN DOWNERS GROVE PUBLIC LIBRARY}

INTRODUCTION: COVID-19 has forced the library building to close temporarily, but it has not closed our library. Virtual services continue, developed and provided through the talents and creativity of the library's extraordinary staff. This document, COVID-19 Response and Phased Reopening Plan, outlines proposed stages to reopen our library building. This phased strategy keeps the health and safety of the staff and public as the highest priority of Downers Grove Public Library. In this time, our decisions will be health driven rather than customer service driven. In addition to compliance with national and state Executive Orders, the library will follow the recommendations of the DuPage County Health Department, Illinois Department of Public Health, and the CDC for staff and public safety.

\section*{Caveats and Considerations:}
- We don't know when we will implement any phase of this plan.
- We don't know how long each phase will be implemented, if phases may be combined, or if public health recommendations require reverting to a previous phase.
- We don't know if we will receive clear public health guidance for public libraries, or if we will have to rely on the general consensus of public health agencies and others in our profession.
- SWAN is seeking to achieve uniformity in the reopening schedule of its member libraries, so to some extent we may be required to conform to timelines set by SWAN.
- We don't know when RAILS will resume delivery.
- Summer Reading will be planned with all virtual programs. If restrictions ease, in-person programs may be added back at that time.
- Good faith attempts will be made to rotate the in-building staff so that all take turns working in-library and telecommuting. Complete equity of staff time in-library and telecommuting is not possible, given specialization of tasks.
- The Board of Library Trustees approved Fine Free through August 2, both to help those in our community struggling financially as a result of the COVID-19 crisis and to mitigate cash handling concerns.

\section*{REOPENING PHASES}

\section*{General overview of the phased open approach}

\section*{Phase 1: Return of Materials Only}

Library building is closed to the public. Staff come in to prepare to reopen the building. Book drops reopen for materials return.

Date Implemented: Monday, May 4, 2020 (Actual Date: May 4, 2020)
Context: Restore Illinois Phase 2 implemented for our area. Social distancing is recommended. Face masks are required. Infection risks are still high. Supplies are limited and restocking ability is uncertain.

Summary: Library building remains closed to the public. Scheduled staff start working onsite (under specific safety procedures) to prepare spaces, collections, and technology for reopening the building. Staff may work in staff and public areas. Some staff continue to work remotely. Materials return begins. Materials are quarantined for 7 days before being checked in and reshelved.

\section*{Phase 2: Curbside Pickup}

Library provides curbside service for access to physical materials, with reduced hours. Library building is closed to the public. Staff continue to prepare to reopen the building.

Anticipated Date: Monday, May 18, 2020 (Actual Date: May 20, 2020)
Context: Restore Illinois Phase 2 implemented for our area. Social distancing is recommended. Face masks are required. Infection risks are still high. Adequate supplies are on hand to comply with safety recommendations for public and staff, but supply needs and availability are uncertain.

Summary: Curbside pickup service will begin for only those materials available in the library. SWAN holds and delivery may not be available. Reference and readers advisory services continue via phone, email, and chat. Curbside service procedures to be determined by the Circulation Department. Library staff bring materials to the patron's car, checked out, in bags. Staff wear gloves and non-medical masks. Staff in the building are limited and practicing social distancing as recommended by public health officials. Curbside Pickup hours limited. Continue quarantining books for as long as advised. No reservations for study rooms or meeting rooms are accepted. When SWAN unsuspends holds, holds will begin to be filled. Holds will be available for curbside pickup. RAILS delivery may not be available, limiting holds to local items only.

\section*{Phase 3: Limited Public Service, Limited Hours}

Library reopens to provide access to physical materials, but with reduced hours. Other services are limited or restricted.

Anticipated Date: Monday, July 6, 2020
Context: Restore Illinois Phase 3 implemented for our area. Social distancing is recommended. Face masks are required. Infection risks are still high. Adequate supplies are on hand to comply with safety recommendations for public and staff, but supply needs and availability are uncertain.

Summary: Library reopens to the public, but not to encourage extended stays or gatherings. Patrons may access materials, including self-service holds. Seating is removed from public areas. Access to Kids Room play areas is restricted. No reservations for study rooms or meeting rooms are accepted. Computer access may be offered by appointment only. Open hours may be limited to allow for materials to be shelved and holds pulled before the library opens to the public. Curbside Pickup continues to accommodate vulnerable patrons and patrons not yet comfortable coming into the library. Limits to number of patrons in the building and limits on access to children under 13 without an adult may be established. Fine free through August 2 limits cash handling. Desks are staffed to allow for social distancing. Staff may be assigned to monitor patron behavior to prevent
group gatherings and maintain social distance. Staff continue to offer services through chat, phone calls, and emails. Homebound deliveries may resume on a "no contact" basis.

\section*{Phase 4: Limited Public Service, Regular Hours}

Additional library services are added and return to regular hours.
Anticipated Date: Restore Illinois Phase 3 implemented for our area. Social distancing is recommended. Face masks are required.

Context: Physical distancing is still recommended, but infections risks are declining. Supply needs are predictable and supplies are plentiful.

Summary: Open hours return to regular schedule. Seating is reintroduced but configured to allow for physical distance. Computers are accessible at intervals of at least 6 feet. Access to Kids Room play areas may be restricted. No reservations for study rooms or meeting rooms are accepted. Capacity limits and/or other restrictions may continue. Desks are staffed to allow for physical distancing. Staff may wear gloves and non-medical masks.

\section*{Phase 5: Large Group Limits Only}

The majority of library services are reintroduced. There may be limitations on larger group gatherings for meetings and programs.

Anticipated Date: Restore Illinois Phase 4 implemented for our area. Social distancing is recommended. Face masks are required.

Context : Physical distancing guidelines have been relaxed to allow for smaller group gatherings. Large group gatherings are still considered a risk.

Summary: Service desks staffed according to social distancing requirements. Device checkouts are permitted. Most computers in operation. Most seating is back in public areas. Toys return to the Kids Room and play areas are open. Meeting rooms and study rooms available for small group meetings.

\section*{Phase 6: New Normal}

Full Service returns to "our new normal".
Context: Restore Illinois Phase 5 implemented for our area.Infection threat is considered low or non-existent.

Summary: Large group gatherings are allowed in meeting spaces.

\section*{STAFF CONSIDERATIONS}

\section*{Phase 1: Return of Materials Only}
- Announce date book drops open or do a "soft opening"
- Open book drops.
- Staff empty book drops daily wearing gloves and non-medical masks and put books in Meeting Room, marked in groups by date.
- Quarantine books for 7 days, then check-in, and reshelve. Other materials may be handled differently, based on the type of material.
- Limited staff in building per day during limited hours, practicing social distancing as recommended by public health officials.
- Continue quarantining books for as long as advised during subsequent phases.

\section*{What must be in place before this phase begins:}
- Acquire adequate non-medical masks (if possible) and gloves for staff.
- Advise staff on resources to make masks.
- Research and advise staff on best practices for glove use to avoid recontamination via gloves.

\section*{Phase 2: Curbside Pickup}
- Announce opening of curbside pickup of in-library materials or "soft opening"
- Patrons may be able to pick up books already on hold in building (SWAN dependent). If so, staff calls patrons with holds on shelf before closure to let them know they have materials waiting for them.
- Patrons call, email, or chat to place holds for materials currently onshelf in the library. Staff answer phones, email, and chat, pull materials, place and trap holds. Circulation Department will create procedure for Curbside Pickup service.
- Reference and readers advisory services continue via phone, email, and chat.
- Patrons contact the library when they are outside. Library staff bring their materials to their car, checked out, in bags. Staff wear gloves and non-medical masks.
- Limited staff in building during limited hours. Curbside Pickup hours limited.
- Patron may place holds or make requests for materials by voicemail or email outside of open hours.
- When SWAN unsuspends holds, holds will begin to fill. Holds will be available for curbside pickup.
- Staff wear gloves and non-medical masks.

\section*{What must be in place before this phase begins:}
- Acquire adequate paper bags for curbside service.
- Acquire adequate non-medical masks and gloves for staff.
- Advise staff on resources to make masks.

\section*{Agenda Item 10}

\section*{Library Director's Report}

COVID-19 Pandemic
The library building has been closed for more than 3 months, since March 13, due to the COVID-19 pandemic. Curbside pickup success continues. Plans are underway to reopen to the public in early July. Staff must return to full work hours, either in-library, telecommuting, or a combination of the two, by the week of June 29. Most staff have been working at or near full hours since curbside pickup began. We await the next round of information from the Illinois Department of Public Health, as the state prepares to move into its next reopening phase on June 26.

\section*{All Programming Virtual Through August}

Staff are planning for all library programs to be conducted virtually through the end of August. Pick Up programs, with kits distributed through Curbside Pickup, enjoyed immediate popularity.

\section*{Election Day Declared State Holiday}

Public Act 101-0642 declares Tuesday, November 3, 2020 as a state holiday, 2020 General Election Day. The law requires all government offices to close for Election Day with the following exceptions: county clerks; boards of election commissioners; and government offices authorized to be used as a location to provide election day services or serve as a polling place. This law applies only to the 2020 General Election.

\section*{Resource Sharing Requirements Temporarily Suspended}

The Secretary of State and the Illinois State Library filed an emergency rule to temporarily suspend resource sharing, reciprocal borrowing, and interlibrary loan requirements for library system membership in the Illinois Library System Act (23 III. Adm. Code 3030). Due to the extension of the Gubernatorial Disaster Proclamation issued on May 29, 2020, resource sharing, reciprocal borrowing, and interlibrary loan requirements remain suspended until August 12, unless the proclamation is extended. This allows libraries to continue as regional library system members in good standing despite any temporary limitations on access to local cardholders only. Maintaining library system membership in good standing is required to receive regional library system services such as the statewide library delivery service.

\section*{Administration - Jen Ryjewski}
- Worked on Phased Reopening Plan and contributed to writing interim policies, procedures, and guidelines as a result of COVID-19 pandemic.
- With contributions from the Outreach Team, wrote and submitted the RAILS My Library Is... grant in order to request funds for a new endeavor, which includes: redesign of print materials, table displays, and in-house, customized programs directed towards special community members-those representing the village, chamber of commerce, schools, park district, and area senior centers.
- Began work on FEMA COVID-19 pandemic grant in order to request reimbursement for costs related to the emergency protective measures (PPE, cleaning services, etc.) DGPL has taken as a result of the COVID-19 pandemic.
- Along with Director Julie Milavec, began work on writing performance evaluations for Management Team.
- Attended two webinars on data visualization: Dashboard Design part one and part two. Learned about the four types of dashboards and the one that best visualizes library data, and completed hands-on practice building a static onepager.
- Accepted an invitation to join the ILA Best Practices Committee for a two-year term.
- Watched the webinar: Traumatic Brain Injury: Invisible Cause of Homelessness, presented by Ryan Dowd. He discussed the diagnosis, science behind, and causes of traumatic brain injury, the relationship between traumatic brain injury and homelessness, how to identify a person suffering from traumatic brain injury, and tools to help manage problem behavior.
- Watched the RAILS webinar: PPE Use for Library Staff.

\section*{Adult \& Teen Services - Lizzie Matkowski}
- ATS staff have been busy planning virtual programs, staffing chat and email, answering phones, and working curbside shifts.
- Allyson, Cindy, and I created a new form for Curated Curbside Bundles. Patrons who don't have specific titles in mind share what they're interested in and staff place holds on items that are on shelf that meet their interests. ATS staff have received over 60 bundle requests so far!
- Summer Reading has launched and staff worked hard to get the program up and running online.
- ATS hosted programs including an online book discussion, edible book contest with the Kid's Room, virtual art show, a tax program, a gardening program, and shopping, saving and storing.

\section*{Children's Services - Allyson Renell}
- During the month of May, Kids Room staff were excited to get back into the building and start working on programming. We filmed 12 storytimes with the help of Ed Bromiel, Media Lab Coordinator. These storytimes are modified versions of the in-house programs that we usually present. Each storytime is around 10-15 minutes long and will be posted for patrons to enjoy throughout June and into July.
- Once we were able to be back in the library, we finalized our virtual programming schedule for the month of June. Besides the storytimes mentioned above, we will have recorded programs for elementary school students and Pickup Programs for children of all ages. Pickup Programs are programs patrons can do at home by picking up supplies through the library's Curbside Pickup service. Patrons sign up for the program on our website and are notified when the program bag is ready to be picked up.
- The Summer Reading Program started on May 17. Similar to last year, the Kids Room has programs for children who are not yet reading on their own (Read-toMe ) and for children who are (Readers). This year, with the library being closed, children can either print their paper forms off the library's website or sign up for the program using Readsquared, our online tracking system.
- Kids Room staff have been participating in the Curbside Pickup service along with the rest of the library. We have learned a lot about circulation tasks during the period and are glad to be helping our patrons receive materials from us again!
- Kids Room staff is also working with Adult and Teen Services staff to complete patron requests for Curated Bundles of materials for pick up through Curbside Pickup. Patrons fill out a form on our website requesting the type of materials they prefer and staff select items to place on hold for them. This service has been very popular so far. During the month of May, the service was only available for 11 days and we received 93 requests, split pretty evenly between Adult and Kids materials.

\section*{Circulation Services - Christine Lees}
- On May 20, we began to offer curbside service to our DGPL patrons. DGPL patrons can place holds on DGPL items only for pick-up at DGPL. The response has been amazing, and a little overwhelming! Our library staff has done an AMAZING job in pulling together to offer this new service to patrons. It has been wonderful to see our patrons again, even from an acceptable social distance.
- Holds, holds and more holds! Patrons are thrilled we are back in the game of lending library materials. Our first three hold pick-lists (the items patrons have placed on hold) have been 6,500 items, 2,500 items, and 3,200 items, respectively. Again, an amazing library staff effort to meet our patrons needs.
- Circulation staff began in-library shifts to prepare for our new curbside service, staff cleared the hold shelves, made arrangements for quarantining materials, made sure staff spaces were appropriately socially distanced, and more!
- We took over the meeting room for materials being returned so they can be quarantined for seven days. We have an excellent system in place and with the help of the Maintenance team, it has been running very smoothly.
- Circulation staff continue to participate in webinars, training videos and completing work that can be done remotely.

\section*{Information Technology - Paul Regis}
- While the library remained closed to the public as part of the stay-at-home order, staff returned to resume essential duties. Part of this included transitioning existing programming to virtual programming. Media Lab Coordinator Ed Bromiel worked with Kids Room staff in early May to help film, edit, produce, and upload storytime videos to the library's YouTube channel. He also taught them the basics of recording using library equipment.
- Despite the closure, IT still managed to conduct 12 Book an Expert one-on-one help sessions in May. A huge thanks to IT staff for working around the not-beingin the-building hurdle and offering the same level of service as offered during normal times. The patrons certainly appreciate it!

\section*{Public Relations - Cindy Khatri}
- PR continued to tweak how virtual programs are coordinated with IT, Kids, and ATS. PR also modified the virtual programming page, and program priorities sheet.
- An oversized postcard was produced and mailed to all in-district residents to remind patrons about Summer Reading Club, virtual programming, digital resources, and digital cards.
- PR Manager Cindy Khatri worked closely with Orangeboy and SWAN to get Savannah up and running. eResource information began to be imported. Marketing Content Coordinator Brian Ruane created the first eNews template in the new platform. Khatri and Ruane began to learn the new software.
- PR worked on the promotion and virtual launch of Summer Reading Club, which started on May 17.
- PR created and installed signage/forms and promoted the start of Curbside Service, which started on May 20.
- Khatri started researching and learning how to use Google Tags Manager to track specific clicks via Google Analytics for virtual program statistics.
- Khatri worked on evaluations for the Marketing Content Coordinator and Graphic Design and Display Coordinator.

\section*{Access Services - Amy Prechel}

Projects and Updates
- The Access Department returned to the building for \(50 \%\) of our hours the week of May 11. The department is adhering to a staggered schedule to maintain distancing and minimize potential exposure to COVID-19. We are adapting to new procedures for mail pick up and sorting, the quarantining of incoming deliveries, routing and shelving new materials, and regular sanitizing of shared work areas and equipment.
- Our first order of business as we got back to work was to enter the backlog of magazines from the closure. Approximately 500 issues were added in our first week back!
- Acquisitions activity has resumed and we will be busy for some time 'catching up' from the closure.

Inventory and Cataloging
- For ATS collection in March: added 798 print items, 38 AV items; discarded 2 print items.
- For Kids Room collection in March: added 113 print items and 18 AV items. There were no Kids Room withdrawals in May.

There were no reclassifications and fewer repairs of physical items in May as our focus has been on getting the deluge of new material shelf-ready. There were 103 AV items repaired in May.

\section*{Staff Training and Professional Development}
- The Access team stayed in the loop by continuing virtual department meetings weekly and attending other virtual meetings held by SWAN, LACONI, RAILS, and others.
- Nora attended The SWAN Cataloging Advisory meeting May 7 and a book protection workshop offered by Kapco on May 14.
- Amy attended part 1 of the remote workshop "MARC 21 Standard: An Introduction" offered by RAILS on May 28.
- The department logged 28.5 hours of training in May.

\section*{Facilities Services - lan Knorr}
- Attended webinars on COVID-19 safety measures and reopening facilities.
- Met with Circulation staff to go over proper cleaning and disinfecting.
- Filmed a Cleaning, Disinfecting, and PPE video with Ed Bromiel from IT.
- Met with Cintas to discuss disinfecting services. Services will start when the library reopens to the public.
- Ian went over reviews with Kevin Montgomery and Ana Herrera.
- Sprinkler start-up was performed.
- Knickerbocker Roofing performed their Spring Maintenance.
- Ian met with Julie and Jen for the monthly one-on-one meeting.
