**DOWNERS GROVE  
PUBLIC LIBRARY**

1050 Curtiss Street  
Downers Grove, IL 60515  
630-960-1200  
dglibrary.org

At approximately 8:28 a.m. today, a library staff member found a shell casing on a public desk in the library's lobby area. Staff called 911 immediately and the Downers Grove Police Department responded within minutes. The library's opening was delayed while police completed their work in the building. No other casings were found. Library staff were informed of the incident this morning. We care deeply about the safety and mental health of our staff. Resources to support staff in coping with this incident have been made available. The police investigation is ongoing. The library will continue to work with the Downers Grove Police Department and appreciates the Village of Downers Grove's support.

Anyone with additional information is asked to please contact the Downers Grove Police Department at (630) 434-5600.
